It may further be noted that the data collected from the beneficiaries of each PIA shall have a direct bearing on the grants to be received, the ranking of the PIA and allocations in future to be carried out by this Ministry.

B. Convocation

It is also decided that all PIAs shall with effect from 1st April 2021, conduct a convocation ceremony, to award the certificates to the successfully trained beneficiaries of Seekho Aur Kamao Scheme. The event should be organised and widely publicised amongst the local MPs, MLAs, Members of Standing Committee of Social Justice and Empowerment, representatives of State, District and Blocks, the Panchayat Raj Institutions, besides officials from the Ministry of Minority Affairs who should be invited for this said convocation. Wide publicity of the event should be ensured and photographs of the same to be shared as a requisite document for claims of grants to be released by the Ministry.

C. Updating information on the Portal for Project Monitoring

The PIAs are further advised to fill/update the data of all pending instalments on the Seekho aur Kamao Portal, for the allocations made in the target years of 2015-16, 2016-17 and 2017-18. The data pertaining to training, assessments and certification, post- placement tracking and data of release of stipend and PPS should be uploaded on priority in order to initiate release of further grants by the Ministry. The monitoring of the PIAs by the third party agency as decided by the Ministry would take place only after all the data is furnished on the portal by the PIAs. The Monitoring Authority will rely on the online data uploaded on the portal, as the basis for monitoring. Hence PIAs are advised to hasten to fill all pertinent data on the portal in their own interest. Requests for release of grants will be entertained only after relevant data is uploaded correctly on the portal. PIAs may note that the Monitoring Authority will check the data available on the portal and verify the factual veracity of the same.
